We are following the guidance put forth by the Centers of Disease Control (CDC) and the Rhode Island Department of Health. We strongly agree with the recommendations voiced by local medical professionals and elected leaders, and we urge all our members and employees to stay home if they feel sick.

It is important to note that access to your accounts remain uninterrupted. You may still visit our branch network, although we ask that if you have any of the following symptoms; fever, coughing, shortness of breath to please stay home and contact a medical professional.

Members who have banking needs but do not wish to visit their local branch should utilize Navigant Credit Union's mobile and [online](#) banking tools. The [ATM network](#) continues to be available for cash withdrawals and our customer service team can be reached at 401-233-4700 or [info@navigantcu.org](mailto:info@navigantcu.org) to assist with any questions.

We are all in this together. Thank you for your continued trust in Navigant Credit Union. Be safe and stay healthy.
