Choose Security Options | [Edit](#)

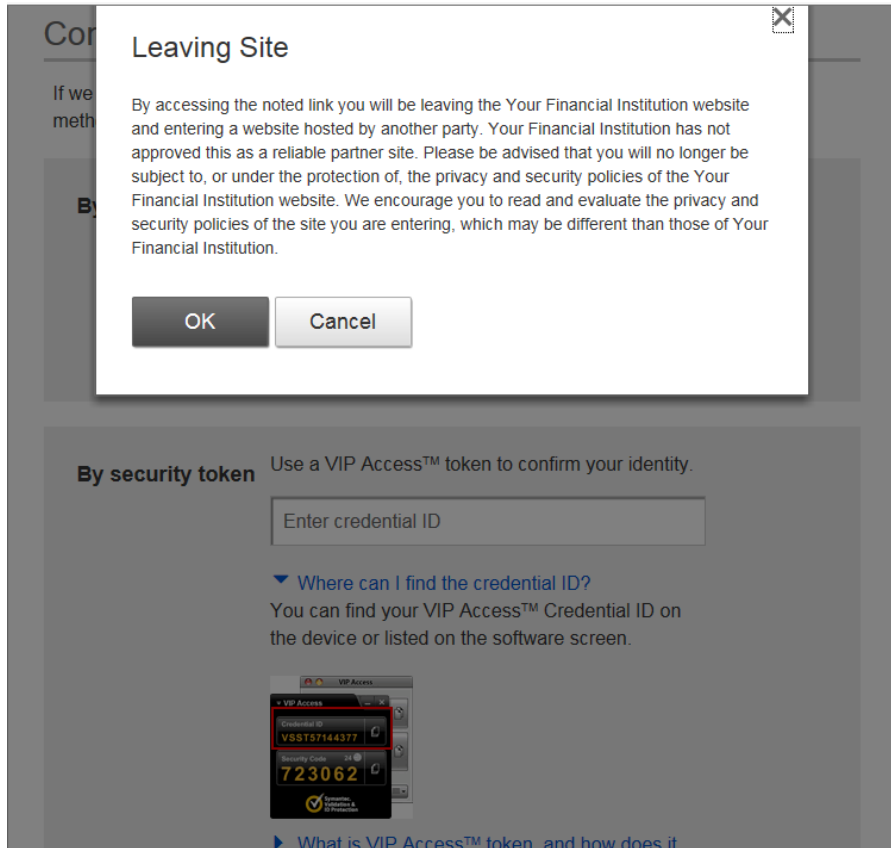

By security token

Use a VIP Access™ token to confirm your identity.

- ▶ [Where can I find the credential ID?](#)
- ▶ [What is VIP Access™ token, and how does it work?](#)
- ▶ [How do I get a VIP Access™ token?](#)

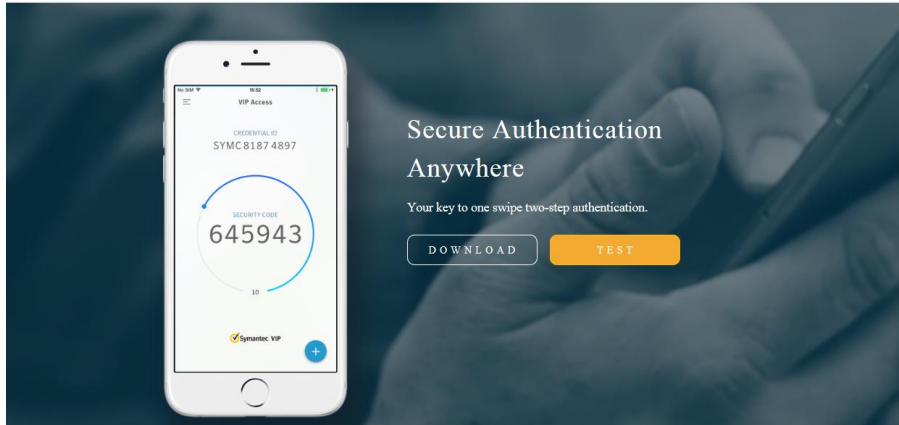

Follow these instructions to download the security token to your computer or mobile device.

Please note: User cannot install the soft token on both a computer and mobile device at the same time.

The screenshot displays a web page with a 'Leaving Site' dialog box overlaid. The dialog box contains the following text: 'By accessing the noted link you will be leaving the Your Financial Institution website and entering a website hosted by another party. Your Financial Institution has not approved this as a reliable partner site. Please be advised that you will no longer be subject to, or under the protection of, the privacy and security policies of the Your Financial Institution website. We encourage you to read and evaluate the privacy and security policies of the site you are entering, which may be different than those of Your Financial Institution.' Below the text are 'OK' and 'Cancel' buttons.

Below the dialog box, the page content includes the heading 'By security token' followed by the instruction 'Use a VIP Access™ token to confirm your identity.' There is an input field labeled 'Enter credential ID'. A dropdown menu is expanded, showing the question 'Where can I find the credential ID?' and the answer: 'You can find your VIP Access™ Credential ID on the device or listed on the software screen.' Below this is a small image of a mobile device screen showing the 'VIP Access' app interface with a 'Credential ID' of 'VSST57144377' and a 'Security Code' of '723062'. At the bottom, there is a link: 'What is VIP Access™ token, and how does it'.
